

TEGNESEKRIER FRA FORLAGET **ZOOM** 2026

Kære læser

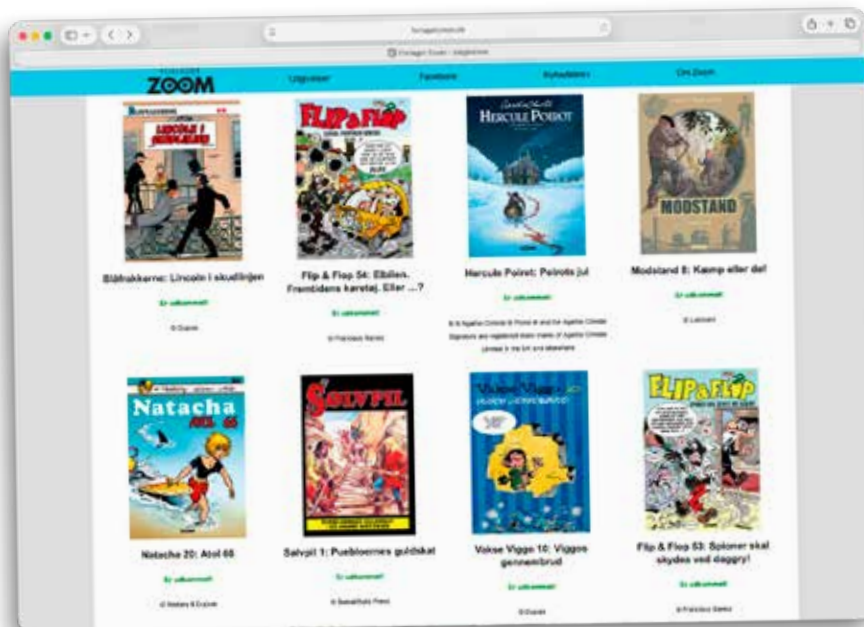

Så har vi de fleste 2026 forsider klar og da der samtidig er en del titler der er udgået, var det på tide med et opdateret katalog.

Vi har valgt at fjerne den vejledende salgspris da priserne varierer meget fra forhandler til forhandler.

En del af årets udgivelser er endnu ikke udkommet, men i slutningen af kataloget kan du se, hvad der udkommer i 2. halvår af 2026.

Vi opdaterer vores hjemmeside ca. hver 2. måned med de kommende udgivelser.

Det er på hjemmesiden du kan tilmelde dig vores nyhedsbrev og du kan også følge med inde på facebook eller instagram.

Der er forbehold for ændringer. Nogle udgivelser kan få ændret salgsdato og der kan komme nye til.

Du er altid velkommen til at kontakte os på info@forlagetzoom.dk hvis du har spørgsmål eller kommentarer.

Vi har fra starten valgt ikke at have egen netbutik så du må købe vores udgivelser hos diverse tegneseriebutikker, boghandlere eller netbutikker, bortset fra én gang årligt hvor vi deltager i Bogforum.

Vi har dog ikke mulighed for at slæbe alle udgivelser med på messen men vi tager et pænt udvalg med og årets messe finder sted 30. oktober-1. november.

Venlig hilsen

Forlaget Zoom

Her er lidt pluk fra hvad du kan glæde dig til næste år.

Vi fortsætter med at få gjort den nye Vakse Viggo samling komplet. Det bliver til 6 udgivelser i 2027.

Flip & Flop 59
Vi skal på månen med
Flip & Flop

Hercule Poirot
Døden venter – heldigvis ikke for
mesterdetektiven der skal opklare
endnu en mordgåde.

Lou! 8
Vi fortsætter med at
udsende Lou!

Tango 9
Der er også plads til Tango.

PONDUS

Pondus bog 14

Pondus er naturligvis også på programmet næste år

Der er en masse forsider der ikke er klar endnu – heller ikke på originalsproget. Men vi regner med at vi i 2027 (udover hvad vi har vist her) skal se mere til: Alene, Allan Falk, Blåfrakkerne, Dad, Gamle Gubber, Miss Marple, Natacha, Sabotør, Miniaturefolket, Paco Roca, Prometheus, Rasmus Klump, Sherlock Holmes, Spoon & White ... og så finder vi nok nye og spændende udgivelser. Sådan plejer det at gå.
